Triple X Chassis #1211214

87/40 Standard height raised rail chassis.

We finished off 2013 with this car and started the 2014 season with it.

Consistant and fast!! A minumum of 8 fast times a few track records and 3 feature wins!

With a record like that someone better take it before we decide to race it again!

Car has never been bent. Has wing spuds.

The car is availble for purchase in any configuration you want from bare frame to race ready*.
